

Pumping iron: the Wallpaper* edit of the finest gyms around the globe

LIFESTYLE / 11 MAR 2016

1Rebel St Mary Axe, London, UK

6 OF 30

1Rebel's first boutique gym at London's St Mary's Axe was designed by Studio C102 to woo fitness lovers frustrated with the current gym model. Pay as you go? Check. Music you actually want to workout to? Check. And did we mention the chilled towels...

7 OF 30

Industrial architecture at every turn exudes the philosophy that it's about pushing limits, not looking pretty. Copper piping snakes up the changing room walls and the gym's personalised playlists pump throughout
